# The Minto Arts Gallery

The Minto Arts Council's first meeting was held in the summer of 1996 with the concept of creating a space for not only exhibiting local artist's creations, but also for displaying historical and contemporary collections from the community. Today, we continue to build upon the success of our main project - the Minto Arts Gallery - with a full slate of exhibitions and special events. This would not be possible without the assistance of our dedicated volunteer group as well as the strong support from the community.

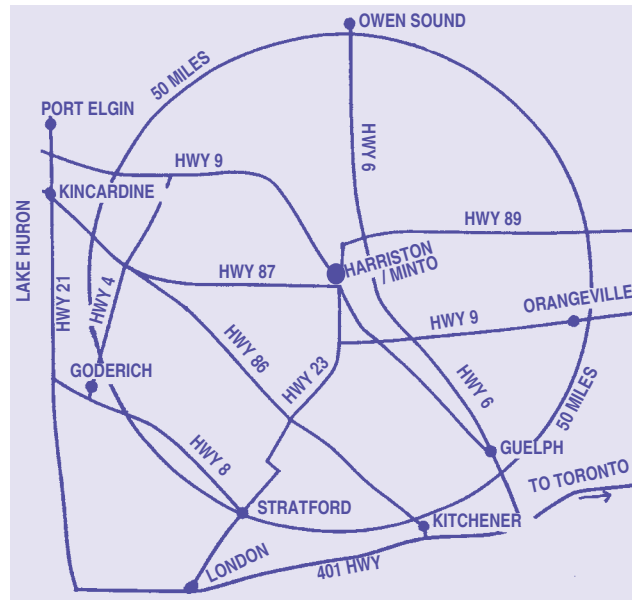

The Minto Arts Council has established annual arts achievement awards, the "Archie" for Minto-Clifford School and Palmerston Public School and the Norwell Arts Award.
